COUNCIL PRESIDENT

April 30, 2014

Mr. Vaughn Spencer, Mayor
815 Washington St
Reading, PA 19601

Mr. Ray Schuenemann and Mr. Dean Miller
1801 Kutztown Road
Reading, PA 19604

Dear Mayor Spencer, Mr. Schuenemann and Mr. Miller

On Friday, April 28th I sent you a message requesting a meeting on May 6th. I have learned through another party that you may not be available on that evening.

The goal of the meeting is to allow everyone to directly express their concerns and positions rather than attempting to do that solely through the news media. It is Council's intent to be clear about our direction and rationale. We look forward to hearing the same from you.

Council again reiterates, as stated on numerous occasions, that Council will only consider any future lease arrangements or proposals through an open RFP process. That has not and will not change; also, with all due respect to the existing RAWA Board members, neither has our intent to dissolve the current authority and current lease arrangements.

This meeting is not a road show for the public, but an opportunity to clarify the directions of all parties involved and to voice our concerns collectively. It will be up to the parties at the meeting to understand each other's positions and then move forward.

I will be working directly with only the mayor and Chairman of RAWA to solidify a new date if necessary. Please let me know in writing if you can attend the May 6th meeting and if you cannot attend, please provide an alternative date. We look forward to your written response.

Sincerely,
City of Reading

Francis G. Acosta, Council President
