Non-Violence Week Walk Agency/Group Invitation

Due to a positive response from last year, we have decided once again to plan a Non-Violence Week in Berks County. The events this year will occur from Saturday, April 17, 2010 to Saturday, April 24, 2010.

The District Attorney's Office, along with other social service agencies have held an annual walk for the past five years to raise awareness for victims' rights in accordance with National Crime Victims' Rights Week. This year, the organizers of Non-Violence Week are partnering with the National Crime Victims' Rights Week Committee of Berks County for the final event of the week, which is the walk.
