FOR IMMEDIATE RELEASE

CITY EMPLOYEES VOLUNTEER TO CLEAN PENDORA PARK

READING, PA: Employees of the City of Reading have pledged to help clean up Pendora Park from 9:00 AM until 12:00 PM on Saturday, September 13. The volunteers will meet at the Pendora Park Field House to pick up gloves, rakes, etc.

The event is being arranged by the Human Resources office and representatives from Mayor Spencer's Office are also expected to attend.

"Our goal is to create opportunities for the employees to come together and give back to the City," commented Gregory Smith, Human Resources Manager. "We want both our community residents and visitors, alike, to take pride in everything the City has to offer."

The employees of the City of Reading proudly serve their community and this clean-up is an opportunity for management and support staff to demonstrate their goodwill to the City's residents.

For more information, please email India.Davis@readingpa.org.
