- Q1. Is there a detailed 2D drawing of the play equipment available?
- A1. Plan (2D) information for the play equipment is shown on Drawing C401 – “Play Area Enlargements”. Play Structure information is noted in specification Section 02875 – “Site Amenities”. Additional information can be located on the Gametime website.
- Q2. Can you please clarify the specification for the two “replace in kind” street lamps?
- A2. The intent for the new lights is to match the existing path lights as close as possible.
- Q3. Do the existing concrete steps located at the south perimeter of the project get removed?
- A3. Yes - Assuming the concrete steps identified above are inside the hatched area noted as “Existing bituminous paving to be removed”.
- Q4. Is the contractor responsible for fees regarding inspections, concrete and compaction testing (not including proof rolling) and permits?
- A4. Yes, the contractor is responsible for all fees.
- Q5. What is the square footage of the four different PIP areas?
- A5. Red 505 sf
Green 715 sf
Yellow 812 sf
Blue 1,180 sf (base) 510 (bid deduct)
- These areas are provided for information purposes only. It is the contractor’s responsibility to complete their own quantity take-offs.

I, HEREBY CERTIFY THAT THE CHANGES COVERED BY THIS ADDENDUM HAVE BEEN TAKEN INTO ACCOUNT.
