

Adopt A Block Groups agree to:

- Adopt a block in a residential and/or business district area of the City of Reading. One block includes both sides of a street.
- Clean up block weekly (minimum).
- Host four cleanup days a year (though we encourage more frequent pickup).
- Record clean-up results online.
- Maintain the agreement for two years.

The Group commits to hosting community cleanup activities weekly (minimum) and four times per year for two years along the assigned blocks. Cleanups may occur more frequently, at the Group's discretion. The Group will designate a leader who will represent the Group and will recruit, register, and brief participants prior to any event. Volunteers under the age of 12 must have adult supervision.

The Group understands that its participants are providing volunteer services to the Group and not to the Mayor's Office of the Clean City, or the City of Reading.

Group leaders are responsible for the safety of volunteers.

Public Works (Clean City) will provide cleanup bags, gloves and all other supplies as needed. Clean City will assist with arranging removal of all collected trash. The Group will submit Volunteer Clean-Up Supply Delivery Checklist report results to the Clean City Coordinator.

With exception of the "hold harmless" clause below, approval of this agreement is not intended to create any legally enforceable rights, against the Group, its members, the Mayor's Office of the Clean City, or the City of Reading.

I agree on behalf of my Group to hold the City of Reading, its agents and employees harmless from any and all legal actions, causes of action, claims, damages and costs, expenses and compensation on account of, or in any way arising from, the Groups participation in the Adopt A Block program; and further agree to indemnify the City of Reading, its agents and employees against any loss as a result of claims of persons or corporations arising from this Group's operation.

I certify that I have read and understand the Agreement and that I possess the authority to execute this Agreement on behalf of my Group.
