

*Chief Tornielli invites you
to join the
Reading Police Department
in supporting
Breast Cancer Awareness.*

The Reading Police Department will be raising funds for Breast Cancer Support Services of Berks County during the month of October. Breast Cancer Support Services of Berks County provides hope, information, and emotional support to women and men affected by breast cancer.

We are offering the opportunity for the general public to help the RPD in support of this cause by purchasing a one of a kind Pink RPD patch.

For a \$20.00 donation you will receive an authentic Reading Police Department shoulder patch as worn by our officers.

*Patches are available through the Reading Police Department
Traffic Office through October 31st, 2021.*

Please contact Sgt. Darrin Dougherty or Audra Schreiner at 610-655-6294,
or e-mail the office at trafficlawnforcementunit@readingpa.gov.
