- Q1. Can the City of Reading engage more than one consultant to complete these services?
- A1. The City reserves the right to retain the services of more than one firm to perform necessary professional services as deemed necessary to meet the workload.
- Q2. On Page 8, the RFP states that the proposer shall employ or contract with a professional engineer. Is this mandated? Can the proposer submit a proposal for some, but not all, of the scope of services? For example, can the proposer submit for planning and zoning services but not the engineering services?
- A2. The City is seeking accredited professional services to address zoning, planning and engineering tasks relevant to land development projects. Projects which require zoning and planning reviews will require other professional certification and not necessary professional engineering.

I, HEREBY CERTIFY THAT THE CHANGES COVERED BY THIS ADDENDUM HAVE BEEN TAKEN INTO ACCOUNT.
