II. Purpose

The purpose of the Determination/Certification Hearing is In accordance with the Commonwealth of Pennsylvania Urban Redevelopment Law of 1945, as amended, and the City of Reading Blighted Property Review Committee Ordinance as amended by Bill #108-2010. The City of Reading has found that the properties listed on this agenda meet the legal definition of "blight" by exhibiting one or more of the following twelve conditions listed in the Ordinance. As prescribed by the Ordinance, the City of Reading's Blighted Property Review Committee (BPRC) is meeting to review the reports of the Building/Trades Division and the Property Maintenance Division on these properties to determine or certify whether it, in fact, meets the definition of blight and can be determined or certified as a blighted property.

As described in the Ordinance, if your property is determined or certified as blighted, the BPRC will issue an Order which will provide you with approximately 60 days to rehabilitate the property to correct/remove the cause of blight, or follow the designated alternative remedy. At the hearing the BPRC shall render an Order which shall be mailed to the property owner. If the property owner fails to comply with the final BPRC Certification

Order, the property becomes eligible for certification to the Reading Redevelopment Authority for acquisition.
