Youth Commission Facts

It is the purpose and intent of the City Council to establish a City of Reading Youth Commission [Commission]. The Commission will serve as an advisory body to the Mayor, City Council, and Managing Director on issues of interest to youth and pertaining to youth in the City of Reading. Youth and young adults are impacted by the decisions of City officials, but seldom have the opportunity to directly participate in the process. Establishment of a Commission will facilitate the participation of youth and young adults in local government, as well as provide City officials an opportunity to hear and address their ideas and concerns.
