UNFINISHED BUSINESS:

Ed Bernitsky is working on establishing a dedicated testing code in the ICC catalog exclusive to the City of Reading.

Having our own category would give the Electrical Board the authority to control who can take the electrical tests. The board would need to submit their approval BEFORE a candidate can take an exam.

NEW BUSINESS:

A motion was made by Ed Bernitsky, second by Tim Pelter to no longer accept the Philadelphia Electrical Contractor License as a suitable credential for a City of Reading reciprocal Master Electrical License as of 6/1/2026
PASSED

The Board discussed removing the “deadline” date from the meeting schedule – it was decided not to make any changes to the existing schedule format.

Secretary Waldman will present the 2027 meeting schedule for review at the next meeting.

ADJOURNMENT: A motion was made by Tim Pelter, second by Bryan Anderson to adjourn PASSED 5:25PM

Next Meeting: Monday, September 14, 2026, at 4:30PM in the 3rd Floor Conference Room of City Hall
