Evaluation and Selection Process

Firms shall submit a response to this RFP by 3:00 p.m., prevailing time, on February 26, 2021. The City will employ a selection committee that includes technical and non-technical personnel. This process and the number of firms interviewed may be adjusted based upon the responses received, their evaluation, and the City's desires.

Until the final firm selection, negotiation, award, and contract execution all contact with the City of Reading regarding this topic is to be directed to the Finance Department – Purchasing Division or the designated legal counsel finalizing contractual details. Failure to comply with this request will result in the disqualification of the firm for further consideration.

The City and its designated committee will evaluate all proposals, determine whether oral discussions with individuals, firms, or organizations are necessary, and select the firm best qualified to perform the scope of work. A qualification based selection process will be used. Qualifications will outweigh all other considerations.

The evaluation will be based upon the following areas in no particular order:

- Firm Qualifications and Experience

- Staff Qualifications and Experience
- Relevant Project References

- Responsiveness to RFP
- Price

The City may choose to conduct interviews with finalists after the initial review of proposals are complete. If interviews are conducted, finalists will be contacted individually by the Purchasing Coordinator's office.

The City has the responsibility to negotiate the most favorable cost terms and conditions to the City. The City will begin negotiations with the highest ranked firm and develop a final work scope and refine compensation. The negotiating process may involve one (1) or more RFP responses and may continue until the award of the contract. All proposals will become part of the official file on this matter without obligation to the City of Reading.

The City of Reading Purchasing Policy allows the City to base its selection on professional qualifications, experience, and familiarity with the nature of the service to be provided.

Authorization of Invitation

This section further states that representation must be secured by the Request for Proposal (RFP) process. Emphasis is placed on factors such as professional qualifications, experience, and familiarity with the nature of the services to be performed.

This RFP is issued by the City of Reading. Any questions or clarifications concerning the RFP shall be directed to the Purchasing Coordinator.

All requests for additional information concerning the RFP process, acceptance and approval of a contract must be issued in written form by the same time as technical questions. Responses to all questions will be issued to all prospective proposers in the form of an addendum as discussed above.

Trade secrets or proprietary information submitted shall not be subject to the public disclosure; however, the firm must invoke this protection in writing. The proprietary or trade secret material submitted must be identified. The classification of an entire proposal, line item prices and/or total proposal prices as proprietary or trade secret is not acceptable and will result in rejection and return of proposal.

Modification or Withdrawal of RFPs

An RFP that is in the possession of the Purchasing Manager may be amended by telegram, letter, or fax transmission bearing the signature or name of the person authorized for bidding, provided said request is in writing and properly signed or by telegram and is received at least two (2) hours prior to the time and date of opening. Submission of a proposal indicates the acceptance by the firm of the conditions contained in this RFP unless clearly and specifically noted in the proposal submitted and confirmed in the contract between the City of Reading and the firm.

During the advertising process through the final firm selection and contract execution by both parties, any contact by proposing firms with any City representative, other than the Purchasing Manager, concerning the RFP is prohibited. Any such unauthorized contact may cause the disqualification of the firm from this procurement action.

The City of Reading reserves the right without prejudice to reject any or all proposals in whole or in part. It also reserves the right to waive any technical defects or minor irregularities, which in its discretion, is in the best interest of the City. NON-COLLUSION AFFIDAVIT

INSTRUCTIONS FOR NON-COLLUSION AFFIDAVIT

This Non-Collusion Affidavit is material to any contract pursuant to this bid. According to the Pennsylvania Antibid-Rigging Act, 73 P.S. 1611 et seq., governmental agencies may require Non-Collusion Affidavits to be submitted together with proposals.

This Non-Collusion affidavit must be executed by the member, officer, or employee of the proposer who is authorized to legally bind the proposer.

Bid/Proposal rigging and other efforts to restrain competition, and the making of false sworn statements in connection with the submission of proposals are unlawful and may be subject to criminal prosecution. The person who signs the Affidavit should examine it carefully before signing and assure himself or herself that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the proposer with responsibilities for the preparation, approval, or submission of the bid.

In the case of a proposal submitted by a joint venture, each party to the venture must be identified in the proposal documents, and an Affidavit must be submitted separately on behalf of each party.

The term "complementary bid/proposal" as used in the Affidavit has the meaning commonly associated with that term in the RFP process, and includes the knowing submission of proposals higher than the proposal of another firm, any intentionally high or noncompetitive proposal, and any form of proposal submitted for the purpose of giving a false appearance of competition.

Failure to file an Affidavit in compliance with these instructions will result in disqualification of the proposal.
