Q1. Regarding Historic Registration, what restrictions and requirements for alteration, both interior and exterior, are to be followed to conform with the stipulations in the agreement?

A1. Due to the fact that the Pagoda is listed in the National Register of Historic Places, the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings is to provide guidance for all alterations. Proposed alterations should be as least intrusive and obtrusive as possible in order to maintain the historic integrity of this landmark building.

Q2. Regarding Historic Registration: Although architectural concerns, such as replacement windows, have been removed from the Scope of Work (please confirm), there may arise a need to penetrate the exterior for MEP purposes. Will the Reading Committee or Historical Consultant serve as the coordinator for such alteration to the Pagoda?

A2. The Historic Preservation Specialist, working in conjunction with the City's Building and Trades Office, will serve as the coordinator for any necessary exterior alterations to the Pagoda as described above.

Q3. We recognize that the building is listed on the National Register of Historic Places, but is it also listed on any local (city, county) registers of historic places?

A3. The Pagoda is not listed on any City or Berks County registers of historic places. The City nor the County currently have a maintained register of historic places.

I, HEREBY CERTIFY THAT THE CHANGES COVERED BY THIS ADDENDUM HAVE BEEN TAKEN INTO ACCOUNT.
