Old Business

The September 1st, 2021, minutes were read, Robert Fegley made a motion to approve the minutes, it was seconded by Barry Unger and unanimously approved.

The Board revisited the Pexagas gas piping system, and it was unanimously decided that at this time the product was not going to be allowed to be installed in the city.

New Business

The Board had a discussion about the master's and journeyman plumbing exams, the Board feels that a third-party tester is the best way to proceed. Will Gernert made a motion to use Pearson Vue for the city's testing, it was seconded by Frank Forester and unanimously approved. The G-24 exam will be used for the master's and the G-25 exam will be used for the journeyman.

The Board Reviewed the amendments to the Plumbing code and made the required changes to suit the city's needs. They will be sent to the city's legal team for review.

A motion was made by William Gernert to adjourn the meeting it was seconded by Brian Miller and was unanimously approved.
