ADDENDUM NO. 2

BID: Traffic Signal Maintenance RM PM

DUE DATE: February 4, 2022  
3:00 P.M. Prevailing Time

This addendum must be signed, attached to, and returned with your proposal to the City of Reading by the time and date indicated ABOVE.

Q1. When are prevailing wages to be considered and used on RM and PM Contracts?

A1. Please refer to the contract section "Wages and Employment Requirements". PA prevailing wages would only apply for work that is not classified as "maintenance" by the PA Department of Labor and Industry. Most of the work for these two contracts will be maintenance work and therefore PA prevailing wage would not apply. The City and the Contractor will coordinate when issuing a work order that may be considered "construction". Any construction tasks will require the use of prevailing wages which will be specified in the work order of authorization.

Q2. What are the exact stipulations when they should apply and when listed non prevailing wages apply?

A2. Standard and OT wage rates will apply for most, if not all, of the maintenance work anticipated in these two contracts. Enter the standard and OT wage rates in the bid form. For those tasks performed where the work would be classified as "construction" or "reconstruction" as defined by the PA Department of Labor and Industry, then PA prevailing wages would apply in accordance with the Pennsylvania Prevailing Wage Act. That is why PA prevailing wages are included in the contracts documents.

"Any work requiring the use of prevailing wage rates will be specified in the work order and letter of authorization".

IX. BID COST A. Labor and Equipment Rates Anticipated labor rates including straight time and overtime, must be supplied. All equipment rates to be used on the project must be provided. Rates shall be in dollars/hour. Rate provided for bid purposes are NOT to be prevailing wage rates; however, some tasks authorized under this contract may require use of prevailing wage rates.

I, HEREBY CERTIFY THAT THE CHANGES COVERED BY THIS ADDENDUM HAVE BEEN TAKEN INTO ACCOUNT.
