### Executive Summary:

Executive Summary

The City of Reading, Our City Reading, Inc. and the Reading Housing Authority welcomes the opportunity to address the foreclosure crisis within the City through the usage and implementation of Neighborhood Stabilization Funding 2. The City is fortunate enough to have the commitment of two very strong partners with a long, proven track record of success in rehabilitating housing units and providing decent, safe and affordable homes to low/mod individuals and families. Census tracts were identified due to the high impact of vacancy and foreclosure rates &ndash the consortium wanted to have the most direct impact on the targeted geography that met HUD&rsquo;s criteria, among which, will have funding going to the purchase and rehabilitation of single family dwellings and no multi-family dwellings even considered for funding. We are confident that this team can meet all rules and requirements (25% of funding to 50% below area medium income for example) set forth and look forward to getting to work on undertaking this momentous assignment.

### Target Geography:

Targeted Geography

The targeted geography for the NSP2 program was selected due to the number of foreclosures within the census tracts chosen. The following census tracts were selected: 10 (foreclosure score 13, vacancy score 18, max score 18), 11 (foreclosure score 14, vacancy score 18, max score 18), 12 (foreclosure score (15, vacancy score 18, max score 18), 13 (foreclosure score 15, vacancy score 19, max score 19), and census tract 18 (foreclosure score 12, vacancy score 17, max score 17).

The first four tracts are located centrally within the City&rsquo;s downtown core while 18 is located in a vital &ldquo;gateway&rdquo; into the City.

### Program Approach:

Program Approach

The three entities comprising of the NSP2 consortium have been addressing issues of neighborhood stability in the City of Reading for some time, including the issue of foreclosure and the destabilizing effect that this has had on neighborhoods. Please view our budget below.

### **Consortium Members:**

Consortium Members  
The Consortium is comprised of the City of Reading, Pennsylvania (lead agency), the Reading Housing Authority (RHA) and Our City-Reading, Inc.  
Our City Reading (OCR)

Our City Reading is a 501C non profit corporation with a three pronged mission: to create pride and stability through home ownership to Reading's first time home buyers, to bring new high quality job opportunities to the area, and-to enhance the quality of life for city and surrounding community residents. In 2001 Our City Reading began to interact with government entities, bankers, and local building contractors, to fully restore market and sell houses in all areas of the city of Reading. As of January 2007, Our City Reading has assisted over 300 families to become first time homebuyers. OCR's banking partners provided low interest loans, at rates below standard residential housing mortgage rates.

OCR's non-profit structure, high volume purchasing of home restoration materials, local contractors and the favorable financing arrangements have made the transition from rental to home ownership very affordable for our inner city Reading residents. Homes sell for less than most residents now pay in rent per month including taxes and insurance.

Currently OCR has renovated and restored over 425 houses within the City of Reading providing first time homebuyers an excellent home at affordable costs. Please check out Our City-Reading's website at: <http://www.ourcityreading.org/ocr/index.htm>

The Reading Housing Authority (RHA)

The Reading Housing Authority (RHA) is a Public Housing Agency that is organized under the laws of Pennsylvania, and whose primary contract is with the U.S. Department of Housing and Urban Development (HUD). The agency was organized in 1939 under the U.S. Housing Act in order to meet the housing needs of residents of the City of Reading, many of whom who could not otherwise afford housing that was decent and safe. The agency continues to seek that end today, by offering quality, affordable housing options and opportunities for the families that are served.

The Reading Housing Authority operates different programs in order its goal. Affordable rents for income eligible individuals and families in the agency's 1600+ Public Housing Apartments and Townhouses that are located in 8 different developments throughout the City of Reading. Through the Section 8 Housing Choice Voucher Program, more than 600 families are assisted in paying their rent to private landlords. In its Homeownership programs, participants are able to purchase a house in the City of Reading by utilizing short and long term assistance with budgeting and rent/mortgage payments. The Homeownership program uses both the Public Housing and Section 8 Housing Choice Voucher programs to assist those interested in homeownership and many families have taken advantage of these programs and become homeowners.

## Overall Progress Narrative:

The Reading NSP2 Consortium, as December 31st, 2012, has acquired a total of 42 units. From which 18 have been sold, 7 are for sale and 3 for rent and 8 are under construction. During the last quarter of 2012, (5) five units were sold. Additional information is presented and reported within this QPR.

>There are three pending corrections in DRGR: 1. Revision of past vouchers from activity B1 acquisition only to activities in project (2) Acquisition Rehab; 2. Revision of past vouchers to move past LH25 spending to Activity B4 for addresses sold to House Hold below 50%; 3. Data entry of vouchers detailing how the program income is being spent. Activity B3.1 contains two vacant (eligible use E) addresses that were sold and originally reported under Activity B3, so we will embark in 1Q13 on resolving that situation with the DRGR help desk so that we correctly report two LLMI households benefitting from Activity B3.1
