The Contractor shall correct any problem with the service and/or replace any defective part with a part of equivalent or superior quality without any additional cost to the City.

12. PATENT, COPYRIGHT, AND TRADEMARK INDEMNITY

The Contractor warrants that it is the sole owner or author of, or has entered into a suitable legal agreement concerning either: a) the design of any product or process provided or used in the performance of the Contract which is covered by a patent, copyright, or trademark registration or other right duly authorized by state or federal law or b) any copyrighted matter in any report document or other material provided to the City under the contract. The Contractor shall defend any suit or proceeding brought against the City on account of any alleged patent, copyright or trademark infringement in the United States of any of the products provided or used in the performance of the Contract. This is upon condition that the City shall provide prompt notification in writing of such suit or proceeding; full right, authorization and opportunity to conduct the defense thereof; and full information and all reasonable cooperation for the defense of same. As principles of governmental or public law are involved, the City may participate in or choose to conduct, in its sole discretion, the defense of any such action. If information and assistance are furnished by the City at the Contractor's written request, it shall be at the Contractor's expense, but the responsibility for such expense shall be only that within the Contractor's written authorization. The Contractor shall indemnify and hold the City harmless from all damages, costs, and expenses, including attorney's fees that the Contractor or the City may pay or incur by reason of any infringement or violation of the rights occurring to any holder of copyright, trademark, or patent interests and rights in any products provided or used in the performance of the Contract. If any of the products provided by the Contractor in such suit or proceeding are held to constitute infringement and the use is enjoined, the Contractor shall, at its own expense and at its option, either procure the right to continue use of such infringement products, replace them with non-infringement equal performance products or modify them so that they are no

longer infringing. If the Contractor is unable to do any of the preceding, the Contractor agrees to remove all the equipment or software which are obtained contemporaneously with the infringing product, or, at the option of the City, only those items of equipment or software which are held to be infringing, and to pay the City: 1) any amounts paid by the City towards the purchase of the product, less straight line depreciation; 2) any license fee paid by the City for the use of any software, less an amount for the period of usage; and 3) the pro rata portion of any maintenance fee representing the time remaining in any period of maintenance paid for. The obligations of the Contractor under this paragraph continue without time limit. No costs or expenses shall be incurred for the account of the Contractor without its written consent.

13. OWNERSHIP RIGHTS

The City shall have unrestricted authority to reproduce, distribute, and use any submitted report, data, or material, and any software or modifications and any associated documentation that is designed or developed and delivered to the City as part of the performance of the Contract.

14. ASSIGNMENT OF ANTITRUST CLAIMS

The Contractor and the City recognize that in actual economic practice, overcharges by the Contractor's suppliers resulting from violations of state or federal antitrust laws are in fact borne by the City. As part of the consideration for the award of the Contract, and intending to be legally bound, the Contractor assigns to the City all right, title and interest in and to any claims the Contractor now has, or may acquire, under state or federal antitrust laws relating to the products and services which are the subject of this Contract.

15. HOLD HARMLESS PROVISION

The Contractor shall hold the City harmless from and indemnify the City against any and all claims, demands and actions based upon or arising out of any activities performed by the Contractor and its employees and agents under this Contract and shall, at the request of the City, defend any and all actions brought against the City based upon any such claims or demands.

16. AUDIT PROVISIONS

The City shall have the right, at reasonable times and at a site designated by the City, to audit the books, documents and records of the Contractor to the extent that the books, documents and records relate to costs or pricing data for the Contract. The Contractor agrees to maintain records which will support the prices charged and costs incurred for the Contract. The Contractor shall preserve books, documents, and records that relate to costs or pricing data for the Contract for a period of three (3) years from date of final payment. The Contractor shall give full and free access to all records to the City and/or their authorized representatives.

17. DEFAULT

a. The City may, subject to the provisions of Paragraph 18, Force Majeure, and in addition to its other rights under the Contract, declare the Contractor in default by written notice thereof to the Contractor, and terminate (as provided in Paragraph 19, Termination Provisions) the whole or any part of this Contract for any of the following reasons:

- 1) Failure to begin work within the time specified in the Contract or as otherwise specified;
- 2) Failure to perform the work with sufficient labor, equipment, or material to insure the completion of the specified work in accordance with the Contract terms;
- 3) Unsatisfactory performance of the work;
- 4) Failure or refusal to remove material, or remove and replace any work rejected as defective or unsatisfactory;

- 10) Failure to protect, to repair, or to make good any damage or injury to property; or
- 11) Breach of any provision of this Contract.

b. In the event that the City terminates this Contract in whole or in part as provided in Subparagraph a. above, the City may procure, upon such terms and in such manner as it determines, services similar or identical to those so terminated, and the Contractor shall be liable to the City for any reasonable excess costs for such similar or identical services included within the terminated part of the Contract.

c. If the Contract is terminated as provided in Subparagraph a. above, the City, in addition to any other rights provided in this paragraph, may require the Contractor to transfer title and deliver immediately to the City in the manner and to the extent directed by the Issuing Office, such partially completed work, including, where applicable, reports, working papers and other documentation, as the Contractor has specifically produced or specifically acquired for the performance of such part of the Contract as has been terminated. Except as provided below, payment for completed work accepted by the City shall be at the Contract price. Except as provided below, payment for partially completed work including, where applicable, reports and working papers, delivered to and accepted by the City shall be in an amount agreed upon by the Contractor and Contracting Officer. The City may withhold from amounts otherwise due the Contractor for such completed or partially completed works, such sum as the Contracting Officer determines to be necessary to protect the City against loss.

d. The rights and remedies of the City provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

e. The City's failure to exercise any rights or remedies provided in this paragraph shall not be construed to be a waiver by the City of its rights and remedies in regard to the event of default or any succeeding event of default.

18. FORCE MAJEURE

Neither party will incur any liability to the other if its performance of any obligation under this Contract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but aren't limited to, acts of God or war, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemics and quarantines, general strikes throughout the trade, and freight embargoes.

The Contractor shall notify the City orally within five (5) days and in writing within ten (10) days of the date on which the Contractor becomes aware, or should have reasonably become aware, that such cause would prevent or delay its performance. Such notification shall (i) describe fully such cause(s) and its effect on performance, (ii) state whether performance under the contract is prevented or delayed and (iii) if performance is delayed, state a reasonable estimate of the duration of the delay. The Contractor shall have the burden of proving that such cause(s) delayed or prevented its performance despite its diligent efforts to perform and shall produce such supporting documentation as the City may reasonably request. After receipt of such notification, the City may elect either to cancel the Contract or to extend the time for performance as reasonably necessary to compensate for the Contractor's delay.

In the event of a declared emergency by competent governmental authorities, the City by notice to the Contractor, may suspend all or a portion of the Contract.

19. TERMINATION PROVISIONS

The City has the right to terminate this Contract for any of the following reasons. Termination shall be effective upon written notice to the Contractor.

a. TERMINATION FOR CONVENIENCE: The City shall have the right to terminate the Contract for its convenience if the City determines termination to be in its best interest. The Contractor shall be paid for work satisfactorily completed prior to the effective date of the termination, but in no event shall the Contractor be entitled to recover loss of profits.

b. NON-APPROPRIATION: The City's obligation to make payments during any City fiscal year succeeding the current fiscal year shall be subject to availability and appropriation of funds. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year period, the City shall have the right to terminate the contract. The contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the supplies or services delivered under this contract. Such reimbursement shall not include loss of profit, loss of use of money, or administrative or overhead costs. The reimbursement amount may be paid for any appropriations available for that purpose.

c. TERMINATION FOR CAUSE: The City shall have the right to terminate the Contract for Contractor default under Paragraph 17, Default, upon written notice to the Contractor. The City shall also have the right, upon written notice to the Contractor, to terminate the Contract for other cause as specified in this Contract or by law. If it is later determined that the City erred in terminating the Contract for cause, then, at the City's discretion, the Contract shall be deemed to have been terminated for convenience under the Subparagraph 19.a.

a. In the event of a controversy or claim arising from the Contract, the Contractor must, within six months after the cause of action accrues, file a written claim with the contracting officer for a determination. The final determination shall be issued within 120 days of the receipt of the claim, unless extended by consent of the contracting officer and the Contractor. The contracting officer shall send his/her written determination to the Contractor. If the contracting officer fails to issue a final determination within the 120 days (unless extended by consent of the parties), the claim shall be deemed denied. e. For the purposes of this Contract, the term "assign" shall include, but shall not be limited to, the sale, gift, assignment, pledge, or other transfer of any ownership interest in the Contractor provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company.

f. Any assignment consented to by the Contracting Officer shall be evidenced by a written assignment agreement executed by the Contractor and its assignee in which the assignee agrees to be legally bound by all of the terms and conditions of the Contract and to assume the duties, obligations, and responsibilities being assigned.
