I. Call to Order

II. Purpose

In accordance with the Commonwealth of Pennsylvania Urban Redevelopment Law of 1945, as amended, and the City of Reading Blighted Property Review Committee Ordinance #108-2010 ("Ordinance"), the City of Reading has determined that the properties listed on this agenda meet the legal definition of "blight" by exhibiting one or more of the following nine conditions listed in the Ordinance. As prescribed by the Ordinance, the City of Reading's Blighted Property Review Committee (BPRC) is meeting to review the reports of the Building/Trades Division and the Property Maintenance Division on your property to determine whether it, in fact, meets the definition of blight and can be certified as a blighted property.

As described in the Ordinance, if your property is certified to be blighted, the BPRC will issue an Order which will provide you with approximately 60 days to rehabilitate the property to correct/remove the cause of blight certification, or follow the designated alternative remedy. At the hearing the BPRC shall render a final Order which shall be mailed to the persons affected. If you fail to comply with the BPRC Certification Order, the property will then be certified to the Reading Redevelopment Authority by the Planning Commission and City Council for acquisition of the property through a voluntary sale or the use of the Authority's power of eminent domain.
