

JAY MONTGOMERY
PLUMBING
INSPECTOR

June 8,2010

CITY COUNCIL
ROOM 3-10
815 WASHINGTON STREET
READING, PA 19601-3690
(610) 655-6204

The quarterly meeting of the City of Reading, PA. Mechanical Examining board and Standards was convened in room 3-10 in City Hall on Tuesday June 8,2010 as mandated by the City of Reading Ordinance at 4:00 PM.

Members present: Jeff George, Anthony Spadafora, Doug Weisman and Jay Montgomery, Mechanical Inspector (liaison).

Candidates approved for examination are as follows: Mechanical Contractor-3

Thomas Franks
Roy Zettlemyer
David Smith

Mechanical Journeyman-1
Matthew Blanski

The Mechanical Inspector reported that the April 5,2010 test examination test results were as follows :

Mechanical Contractor: 1-pass
1-fail

Mechanical Journeyman: 3-pass
1-fail

The board discussed changes to the City of Reading mechanical amendments as follows:

Add in for oil tank removal on oil to gas conversions to have permit holder be responsible for removal of tank and notification to inspector before permit expiration.

Check on test through ICC for commercial hood and duct installers license to be required in city as a sub license for the type of work only.

Add 10 year of Master Plumber or Mechanical Contractor to the Mechanical Inspector qualifications.

There was no other business discussed and the meeting was adjourned.

Respectfully,

Jay Montgomery
Mechanical Inspector
