PUBLIC COMMENT

Council President Waltman stated that there are six (6) citizens registered to address Council; five (5) on non-agenda matters and one (1) citizen registered on agenda matters. He inquired if any Councilor objected to suspending the rule requiring non-agenda comment at the end of the meeting. As no one objected the rule was suspended.

Councilor Daubert read the public speaking rules that were adopted by Council.

Andres Acuna, of Eckert Avenue, announced the recent championship of members of the East Reading Boxing program. He provided the history and importance of the program offered.

Jeffrey Nein, of Perkiomen Avenue, noted the mayor's negative push at City Council and he questioned why he would object to the reappointment of the City Clerk due to her years of experience and high performance. He suggested that everyone begin treating each other with respect and that everyone begin respecting the Country's flag and the laws. He took issue with the threats to remove Council members made by Mr. Rivera at past meetings. He expressed the belief that Pay to Play has become Pay to Work.

Mike Sveda, representing AFSCME 3799, stated that this collective bargaining group has worked to negotiate a contract with the administration over the past year. He asked Council to consider delaying their ratification of the contract which will allow the seniority issue to be addressed in the contract. He also stated that the group would like to discuss the contract with the new administration.

Stefan Kosikowski, of South 17th Street, stated that the change to the Charter form of government centered all the executive powers with the mayor. He questioned the need for checks and balances. He noted the need for the public to be informed about the rationale behind Council's rejection of the mayor's candidate for managing director. He expressed the belief that Council deliberated outside the required public forum.

Ed Terrell, of Franklin Street, expressed the belief that the vacant managing director position disrupts city business. He noted that two (2) members of Council who were on the Democratic County Committee publically supported the non-Democratic candidate for mayor. He questioned the accountability of those devious people. He expressed the belief that the current FBI investigation is related to some sitting here this evening.

Nate Rivera, of North 6th Street, noted the passion of the Hispanic community. He questioned why four (4) police officers are present at the meeting when they should be working to fight crime. He expressed the belief that having officers at the meeting is a waste of tax dollars.

Johanny Cepeda, of Walnut Street, began by speaking in Spanish. She noted Council's conflict with the previous administration. She expressed the belief that the community's interest in attending the recent Council meetings is due to their interest in participating in government. She questioned why the mayor's nominee for managing director was rejected. She noted the nominee's work with the community and the administration.

A citizen (name illegible on the sign in sheet), of South 5th Street, suggested that Council and the mayor work together and work with the Hispanic community. He noted that voters will have the

ability to select Council members at the next election. He asked Council to consider the mayor's new ideas.

APPROVAL OF THE AGENDA & MINUTES

Council President Waltman called Council's attention to the agenda for this meeting, including the legislation listed under the Consent Agenda heading and the minutes from the January 27th Regular Meeting of Council, postponed from January 25th due to the snow event. He noted the need to amend the agenda due to the mayor's request to withdraw the resolution to ratify the AFSCME 3799 contract.

Councilor Marmarou moved, seconded by Councilor Daubert, to approve the minutes from the January 27th Regular Meeting of Council, postponed from January 25th and the agenda, as amended. The motion was approved unanimously.

He expressed the belief that he takes the high road when expressing his beliefs. He noted the need for the public to be educated on candidates when they vote. He stated that citizens elect City officials and they have started participating in their government.

Councilor Goodman-Hinnershitz questioned if improvements have been made to the City's snow emergency plan. The mayor stated that work to revise and improve the plan is on-going. He stated that in the future snow removal will begin when the snow fall amount reaches 12 inches.

COUNCIL COMMENT

Councilor Twyman noted the positivity of those participating in this evening's meeting. He announced the plan to create a Citizens Initiative Committee.

Councilor Slifko noted his concern with the public's questions about the rationale to reject the mayor's candidate for managing director. He stated that Council collectively does not believe that the candidate possessed the high level of qualification demanded by the Charter. He agreed that the candidate is a very nice person. He explained the form of government and the reasons why the managing director position requires high administrative/executive qualifications.

The mayor asked Councilor Slifko to refrain from speaking about this issue due to his belief that Councilor Slifko's remarks are incorrect.

Council President Waltman stated that Council will be releasing their rationale to the public shortly.

Councilor Goodman-Hinnershitz noted the importance of public participation. She suggested that the public research the openings on the Boards, Authorities and Commissions on the City's website and apply to fill vacant positions. She described how her personal experience prepared her to serve on City Council.

Councilor Goodman-Hinnershitz noted the great programs offered by the East Reading Boxing Club.

Council President Waltman reviewed the Council meeting schedule.

hereinafter referred to as "Union" has as its purpose the promotion of harmonious relations and cooperation among the Employer, the Union, and each employee to the end that honest, efficient and economical service will be rendered to the public; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work and other conditions of employment for the employees in this employee group.

This Recommendation is a result of the "meet and discuss" provision (Act 195, Section 704) and is not, nor should be deemed, a contract.

ARTICLE 1 - RECOGNITION

Section 1. The Union is recognized by the Employer as the exclusive representative for meet and discuss purposes under Act 195 for all full-time first level supervisory employees as defined in the Act.

Section 2. Except as expressly provided otherwise in a specific provision of this Recommendation, the term "Employee" as used in this Recommendation shall mean a full-time employee. A full-time employee is one who regularly works at least 35 hours per week excluding furlough days.

The Union and the Employer agree that there shall be no discrimination, intimidation, restraint, coercion, harassment or pressure by it or its officers, agents, or members against any employee who refused to join the Union or to authorize dues deductions.

The City and the Union agree that all non-members of the Union shall be subject to a fair share fee as provided by applicable State law.

The Union shall indemnify and hold the Employer harmless against any and all claims, suits, orders, or judgments brought or issued against the Employer as a result of any action taken or not taken by the Employer under the provisions of this Article.

ARTICLE 3 - DUES DEDUCTION

Section 1. The Employer agrees to deduct the Union dues from the pay of those employees who individually authorize in writing that such deductions be made; said authorization shall be irrevocable by the Employee during the term of this Recommendation, except for a time period consisting of fifteen (15) days prior to the expiration of the then current contract. The amounts to be deducted shall be certified to the Employer by the Union, and the aggregate deductions of all employees shall be remitted within the thirty (30) days, except under extenuating circumstances, together with an itemized statement and a list bearing thereon the name of the employees for whom the deductions are made to the Business Manager, District Council 88.

Section 2. The Union hereby certifies that its present amount of membership dues are established. In the event the amount of dues is hereinafter changed, such changes shall be provided in writing to the Employer thirty (30) days prior to any change in dues deductions.

Authorization from non-members to deduct fair share fees shall not be required. The amounts to be deducted shall be certified to the Employer by the Union, and the aggregate deductions of all employees shall be remitted together with an itemized statement to the Union by the last day of the succeeding month, after such deductions are made.

- c. After eight (8) years of service - three weeks or fifteen (15) work days.
- d. After fourteen (14) years of service - four weeks or twenty (20) work days.
- e. After twenty (20) years of service - five weeks or twenty-five (25) work days.
- f. After twenty-five (25) years of service - six weeks or thirty (30) work days.

Employees hired on or after June 11, 2010, shall earn vacation leave according to the following schedule:

Employees with less than ten (10) days vacation time accrued may take vacation in one or

more day groupings as approved by the Department Head.

- d. Vacation preference requests to be effective after March 1, of each year must be submitted by February 15, of the same year. An employee who has not expressed his preference for vacation time prior to February 15 shall have a vacation time scheduled by his Division Manager. If the employee thereafter expresses a preference for a different vacation time, his vacation time may be re-scheduled so as not to interfere with production requirements or the vacation schedule of other employees in the division.
- e. In scheduling vacation for the month of January and February, the employee will be given preference according to seniority, and must request vacation by December 1, of the preceding year.
- f. Vacation preference shall be granted to employees with the greatest seniority in the division, subject, however, to the work needs of the City, which shall control all vacation scheduling. Vacation time earned shall not be restricted to any particular month or period in the year.

- j. Consideration may be given for emergency vacation requests.
- k. An employee who becomes ill and is hospitalized during his/her vacation may change his/her absence to sick leave provided that he/she furnishes a physician's certificate to the Employee.

Section 4. If a holiday occurs during the calendar week in which a vacation is taken by an employee, at the option of the employee, the vacation may be extended by one (1) additional day or the employee may take one day as a personal holiday on a date mutually agreed upon between the employee and his/her supervisor.

Section 5. To the extent that the provisions of this Article conflict with the provisions of Article 29 which applies solely to certain members of this employee group who have been assigned to the Department of Police, the provisions of Article 29 shall control rather than the provisions of this Article.

Section 6. All vacation must be scheduled in accordance with Section 3 above and must be taken during the calendar year; provided, that if an employee is prevented by the Employer from taking their scheduled vacation in either the months of November or December due to an emergency, then said employee may reschedule their vacation at a mutually convenient time for the Employee and said vacation may be carried over into the following year. Any carry-over for vacation under this section shall be in writing approved by the Managing Director.

For purposes of this section alone, emergencies shall mean a cause or event which affects the employer's operation and causes the employer in its sole discretion to cancel the employee's vacation. It specifically does not include any cause or reason in the employee's personal life, whereby the employee is attempting to reschedule their vacation for any reason whatsoever.

ARTICLE 6 - HOURS OF WORK - OVERTIME

Section 1. The total number of hours of employment shall remain as at present except that as of July 1, 1974, employees working in the same office shall work the same number of hours, which number of hours shall be the greater of the hours worked by persons in that office, and any employees doing the same work outside of City Hall shall work the same number of hours, which number of hours shall be the greater of the hours worked by persons outside of City Hall. As far as practical, this work day shall conform with the established hours of business. This conformity shall not interfere with the special schedules governing departments operating more than eight (8) hours in each calendar day. Nor shall this provision for an eight (8) hour day be construed as prohibiting the creation of part-time employment or the establishment of rotative, staggered or shortened work periods.

Section 2. Except in seven-day a week City operations, the normal work week shall be for full-time employees Monday thru Friday, forty (40) hours, modified as above. However, nothing in this Recommendation shall be construed as a guarantee or limitation of the number of hours to be worked per week.

The Union may send mail related to Union business to local official Union representatives at appropriate facilities to which mail is delivered.

Any additional costs involved in such use must be paid for by the Union.

Union representatives shall be permitted to investigate and discuss grievances during working hours on the Employer's premises if notification is given to the Human Resources officer or his designated representative. If the Union representative is an employee of the Employer he shall request from his immediate supervisor reasonable time off from his regular duties to process such grievances. The Employer will provide a reasonable number of employees with time off, if required, to attend negotiating meetings. Such visits shall not interfere with, hamper, or obstruct normal operations of the Employer.

Section 3. The Employer has available a classification plan which defines and describes representative duties and responsibilities and sets forth the minimum requirements and qualifications essential to the performance of the work of the class. If an employee considers his position to be improperly classified, the employee shall appeal such classification at the second step of the grievance procedure set forth in this Recommendation. The decision of the Employer shall be final, binding and determinative of the issue. If a determination is made by the Employer that a position should be upgraded, the employee shall be promoted retroactively to the date the grievance was filed in writing. If a determination is made by the Employer that a position should be downgraded the employee shall be demoted with appropriate change in salary.

The Union recognizes the right of the Employer to direct its working forces, which includes the assignment of work to individual employees, and it further recognizes that such assignments may include work outside an employee's classification. of the contract, that the person who shall make the final decision shall be subject to re-negotiation between the City and the Union and a separate letter of intent entered into authorizing that person to make final decisions. Notwithstanding any of the above, it is understood that the City shall in no way be limited from exercising its binding and final determination of the issue pending the approval of some subsequent party. However, both parties mutually agree to move with all deliberate speed to select an individual acceptable to both sides.
