§ 508-703. Rejection of application

Street Cut Permits shall not be issued to any person, firm or corporation indebted to the City due to a previously issued permit. Additionally, no permit shall be issued for non-emergency work commencing from September through November of any calendar year. *The Public Works Director, or his designee, shall review non-emergency applications anticipated to commence after September of the calendar year. The Public Works Director, or his designee, may permit the project to begin contingent upon the review of several factors, including but not limited to final restoration date, size of the cut, use of steel plates, and scope of the project, however no non-emergency projects shall begin in November, December, or January of a given year.*
