NEWS RELEASE

City Street Sweeper Program to Commence Tomorrow

Reading, PA - March 17, 2014 -- The City's Street Sweeper program will begin to travel along their scheduled routes on Tuesday, March 18th. The schedule for the program is posted on street signs along the routes. The City urges residents to educate themselves on the schedule for their particular block and remember to move their vehicles on scheduled days. The street sweepers are always accompanied by a Parking Enforcement Officer who tickets those vehicles that do not move according to the programs schedule.

Mayor Spencer stated that, "now that the snow has melted, residual debris can now be easily seen on City streets. It is important to do our best to keep our streets clean and debris-free."
