OWNER'S INFORMATION:

Name: _____

Phone: () _____

Address: _____

Requested Start Date: _____

I am interested in participating in the City of Reading trash collection program. I understand that **as an Owner** and resident of a residential property with four (4) or fewer units, in the City of Reading, I will be included in the following City contracted trash collection system:

- ❖ Weekly Curbside collection of eight (8) bags of trash (35 gallon).
- ❖ One (1) bulky waste item to be collected weekly.
- ❖ You will be billed monthly in the amount of \$29.09 (apartments 29.09 per unit, per month).

The City will notify each property owner of their collection schedule and 1st day of service. City contracted services will be established on an annual basis and will continue, after the first year unless notified by the owner within 30 days of the termination date, requesting services to be discontinued. Properties which are sold and are included in the program will continue to be included.

It is then the owner's responsibility to notify the city, if they do not wish to be included, after that period. Proof of trash service by a private hauler must be submitted for all trash service cancellations with the City of Reading.

****THIS MUST BE IN WRITING****

Fees for the Collection Option 1 Curbside Collection Value Plan will be included in your monthly utility billing from the Reading Area Water Authority. Please note that this fee includes trash, recycling, and yard waste collection.
